

Wisconsin State Forward Testing

Dear Parents/Guardians:

Wisconsin students in grades 3rd through 8th are currently participating in the Forward Exam this spring. The exam will test all students in English Language Arts (ELA) and Mathematics. In addition, 4th and 8th grade students will have testing in Science and Social Studies. The Wisconsin Forward Exam is designed to measure how well students are meeting the Wisconsin Academic Standards, which outline what students should know and be able to do to be college-and-career ready.

Our Valley View testing window will be April 3 -19, with make-up testing until April 26.
