Free or Reduced Meal Accounts

If your family has been approved for free or reduced meals in the Ashwaubenon School District and you would like your students to purchase food items on the Ala Carte line, you need to complete and return the permission slip on the bottom of this letter. This slip must be returned to the District Office before your student(s) can participate in the Ala Carte food program.

Ala Carte items are not included in your free/reduced meal program - You will be responsible for paying any costs associated with these purchases. The completion of this form stipulates that you give your permission to have your student(s) purchase items on the Ala Carte line.

The family account must have a POSITIVE BALANCE before your student can make purchases. Should your account reach a zero balance, this feature will be deactivated until more funds are deposited.

High School and Parkview students can always pay cash on a daily basis for any Ala Carte items they want to purchase. If you have any questions about this matter, please feel free to call the Business Office at 920.492.2905, Ext. 1006.

Have a happy and healthy year!
