Pioneer Elementary Students Help Ashwaubenon Resident For Earth Day Project

Ashwaubenon, WI – April 27, 2010 – Mary Amenson’s 4th Grade class at Ashwaubenon’s Pioneer Elementary School spent the morning of April 21st cleaning up the yard of an elderly Ashwaubenon resident. This Earth Day project both inspired a cleaner environment and allowed the students to experience the value of helping others.

According to Mrs. Amenson, “Hard work truly does pay off. The yard looked great and the class was very proud of their group effort. Of course, the homemade chocolate chip cookies that the resident made for the class didn’t hurt either.”

This is the third year in a row that Mrs. Amenson’s class has helped an Ashwaubenon resident with spring cleanup.
