ASHWAUBENON TEAM TAKES 1ST PLACE WORLDWIDE AT DI GLOBAL TOURNAMENT

Ashwaubenon, WI – May 27, 2015 – The Ashwaubenon School District advanced seven teams that qualified for and competed in the annual Destination Imagination (DI) Global Tournament. Out of the 1,500 teams and 125,000 students from the U.S. and 15 other countries, Ashwaubenon High School’s “UnDIined” team placed 1st in their “Lose to Win” Construction category. This is the first time in more than 20 years that a local team has earned 1st place at DI Globals. All seven Ashwaubenon teams finished in the top half of their category, which equates to finishing in the top 3% worldwide.

The worldwide competition took place in Knoxville, TN from May 19-23. The top 6% of teams earned the opportunity to compete at this international tournament by placing 1st, 2nd or 3rd at their Affiliate or State tournament. The closing ceremonies housed over 20,000 spectators in the Thompson-Boling Arena on the University of Tennessee Knoxville campus when the 1st place trophy was presented to the AHS’ “UnDIined” team.

Destination Imagination is the world’s largest competitive, creative problem solving co-curricular program. It helps build students’ skills in creative problem solving, teamwork, leadership, critical thinking, research and inquiry, innovation, technical design, construction, science application, oral presentation and playwriting.
