Ashwaubenon's Kyle Monroe Signs National Letter of Intent

Ashwaubenon, WI – November 18, 2014 – Kyle Monroe, senior at Ashwaubenon High School, is signing a National Letter of Intent to play basketball at Michigan Tech University. Monroe is receiving a scholarship to compete at the Division II School. Monroe is the reigning Fox River Classic Conference Player of the Year, and is coming off a First Team All FRCC football season at wide receiver. He was recently named Wisconsin Football Coaches Association Honorable Mention All-State for his accomplishments on the gridiron.

Ashwaubenon High School Activities Director/Associate Principal Nick Senger commented, “Kyle is a terrific athlete and will do great things at Michigan Tech. His career ambition is to be an engineer and Michigan Tech is the right place for Kyle. He excels in the classroom, was an all-conference performer on the football team, and is a key contributor on the basketball team. His abilities to score and create his shot are attributes Michigan Tech will like. Kyle joins an exclusive group of Ashwaubenon graduates to earn college basketball scholarships, including Ryan Borowicz (UWGB), and Adam, Jake and Bennett Koch (University of Northern Iowa)”.
