Ashwaubenon High School Selects Branner as Volleyball Coach

Ashwaubenon, WI – August 12, 2014 - Ashwaubenon High School has hired Julie Branner as their new Varsity Girls Volleyball Coach. Julie comes with three years Head Junior Varsity experience at Ashwaubenon High School. Prior to this role she was the Varsity Coach at Winneconne High School.

Nick Senger, AHS' new Activities Director, believes she is the right person to lead the program. According to Senger, "Julie has built a rapport with many of these girls already. She is invested in the program and will lead it to new success. I have no doubt that she has the best interest of the student-athletes in mind and will push them to be competitive in the FRCC."

Coach Branner is excited to take over the program and believes the girls can compete at a high level. She stated, "I'm very excited to start this season as the Head Varsity Coach and continue to build relationships with student-athletes that I have known both in the classroom and on the court. It's always a great day to be a Jaguar!"
