### **Three Ashwaubenon Students Earn Berths On All-Metro Math Teams**

**Ashwaubenon, WI – May 8, 2014** – The Ashwaubenon High School Math Team placed second in the metro area math competitions held this school year. Senior Cole Roberg earned a spot on the eight-member All-Metro Team 1. Earning places on the eight-member All-Metro Team 2 were junior Connor Laehn and freshman Skye Vandeleest.

The Metro Math league consists of twelve area high schools. Five competitions are held throughout the school year. Each competition has four individual rounds where students answer four math questions per round. There is also a team round where each eight-member team works together to answer six more questions. Individual medals are awarded based on the total score of the individual rounds. A plaque is awarded to the top scoring team at each meet. At the end of the season, the eight top scoring students are placed on All-Metro Team 1 and the next eight scorers are placed on All-Metro Team 2.
