

The following services are offered to our students in order to meet the needs of talented and gifted students.

	K	1	2	3	4	5	6	7	8	9	10	11	12
<b>Small Group Pull-together</b> Students with similar talents and interests work in small groups with GLOBE teachers to complete projects that extend and enhance their daily lessons.				x	x	x	x	x	x				
<b>GLOBE Math</b> Information is gathered from three types of information to identify the student's strength in this area: test data (ability and achievement tests), performance data (products, classroom assessments, and performances), and supporting data (school staff, parents and others who can contribute to the profile of the student). Qualifying students participate in pull-together classes that teach math at an accelerated rate and provide opportunities for individualized advancement.					x	x	x	x	x				
<b>GLOBE Language Arts</b> Information is gathered from three types of information to identify the student's strength in this area: test data (ability and achievement tests), performance data (products, classroom assessments, and performances), and supporting data (school staff, parents and others who can contribute to the profile of the student). Qualifying students participate in pull-together classes that teach language Arts at an accelerated rate and provide opportunities for individualized advancement.					x	x	x	x	x				
<b>Acceleration</b> Acceleration is used to guarantee optimal learning opportunities in a subject area or a grade level.					x	x	x	x	x	x	x	x	x
<b>Classroom Differentiation</b> Individualized lessons are prepared by classroom teachers, often with the support of the District GLOBE teachers to support students that require advanced learning opportunities.	x	x	x	x	x	x	x	x	x	x	x	x	x
<b>Online learning</b> A variety of advanced coursework is available for students to access online. Contact the Student Services Department at the high school for more information.										x	x	x	x
<b>Advanced Placement Classes</b> The following Advanced Placement Classes are offered at Ashwaubenon High School:											x	x	x

Services are not limited to the chart above.
