# FACT SHEET

## About Us

The Ashwaubenon School District, a PK-12 district with approximately 3,150 students in five school buildings, has a long-standing history of high academic achievement and student opportunities. We provide a comprehensive educational program with instruction at all levels to meet the needs of all students regardless of their differences in abilities, interests, and learning styles. Our well-articulated curriculum is sequential in nature, based on Common Core Standards and Benchmarks and is continually updated and supported with materials, technology, and real world activities.

## Vision

To achieve world class excellence in education so each child can reach his or her full potential.

## Mission

Partnering with our community to develop students who are high-achieving lifelong learners and contributing world citizens.

Annual Civil War Reenactment

## Location

The Ashwaubenon School District is located in the Village of Ashwaubenon, a suburban community adjacent to the City of Green Bay. Located in "the shadow of Lambeau Field", we know a lot about quality and tradition. Since its beginning over 100 years ago as an agricultural community, Ashwaubenon has grown into an excellent area for residential living and learning, and as an industrial and commercial center for the Green Bay area.
