Home Fire-Safety Checklist

We are learning about fire safety at school.
Use this checklist to practice fire safety at home.

- Learn this rule by heart. If there is a fire, get out and stay out.
- Check the batteries in your smoke alarm.
- Have a fire drill. Find two safe ways out of your home.
- In case of a fire, pick a meeting place that is outside your home.

Draw a picture of your meeting place here.
